## Christmas

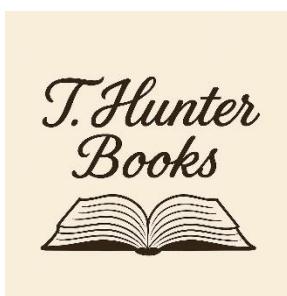

Christmas is a celebration of divine love made human. Whether through sacred traditions or secular joy, it's a time of giving, forgiving, and gathering. But beyond the gifts and glitter, Christmas calls us to open our hearts.

Kindness during Christmas means reaching out to the lonely, forgiving old wounds, and remembering that love is the most powerful force we have. It's not about perfection, it's about presence.

“Christmas is not as much about opening our presents as opening our hearts.”: Janice Maeditere

The best gifts aren't wrapped. They're felt. They're shared. They're kind.

What gifts are you bringing? Tag #KindnessChallenge and #THunterBooks and tell everyone!
