

# Holiday Kindness

## Diwali

Diwali, the Festival of Lights, celebrates the triumph of good over evil, light over darkness. Homes are adorned with diyas, rangoli, and joy. But the true brilliance of Diwali lies in the light we carry within.

Kindness during Diwali means welcoming others into our joy, sharing sweets and stories, and honoring the sacred in everyday life. It's about illuminating paths, not just with lamps, but with love.

“Light tomorrow with today.”: Elizabeth Barrett Browning

Kindness is the diya that never burns out. It's the light that guides us home.
